Dear Kimberly:

As your assignment with FBIS comes to a close, I want to thank you for the fine work you have done this summer. Due to your efforts, a number of files have been established, reorganized and updated and Research Staff appreciated your help in archiving some of its material.

Since this is your first year as an Agency summer employee, and there is a possibility that you may return for another year, I want you to know that we would gladly welcome you back.

Thank you for all you did and the best of luck in the coming school year.

Sincerely,

STAT
